

Command::Base

```
classDiagram
    class CommandBase["Command::Base"]
    class CommandFreeze["Command::Freeze"]
    CommandFreeze --|> CommandBase
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a black border containing the text "Command::Base". Below it is a gray rectangular box with a black border containing the text "Command::Freeze". A solid blue arrow points vertically from the top center of the "Command::Freeze" box to the bottom center of the "Command::Base" box, indicating that "Command::Freeze" inherits from "Command::Base".

Command::Freeze
