

Command::Base

```
classDiagram
    class CommandBase["Command::Base"]
    class CommandX["Command::X"]
    CommandX --|> CommandBase
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled "Command::Base". Below it is a gray rectangular box labeled "Command::X". A vertical blue line connects the bottom of the "Command::X" box to the bottom of the "Command::Base" box, ending in a blue arrowhead pointing upwards towards "Command::Base".

Command::X
